As per the amendment to Section 101 of the Bangalore Municipal Corporation Act, 1949, enacted in June, 1951, the properties of this Administration being Central Government properties have been exempt from payment of local taxes

Consequent on this, the Corporation of the City of Bangalore have now withdrawn the concession of free allowance towards water supply hitherto conceded by them and claim charges for the full consumption of water, pointing out that ~~the~~ even other State Government buildings are treated likewise and water charges paid without free allowance

I shall be glad therefore, if you will kindly confirm whether water charges in respect of your government property ~~is~~ are being met without free allowance in view of the exemption from payment of taxes.
